

Ready for any journey

NEW

Hectorra 5

FOR PASSENGER CARS AND SUVs

Matador is coming with the new **Hectorra 5** flagship summer tyre that offers very well balanced performance with low noise generation that delivers a pleasant driving experience. Enhanced rolling resistance and higher wear performance increase its life and fuel efficiency.

- **Comfort** – Low noise generation with comfortable driving experience
- **Efficiency** – Good rolling resistance and high wear performance
- **Wet performance** – High braking performance on wet roads

Hectorra 5

FOR PASSENGER CARS AND SUVS

Technical Highlights

Comfort

Offers a pleasant drive experience thanks to balanced tread pattern composition and optimized sipe distribution.

Efficiency

Makes driving more efficient thanks to a new compound generation. Ensures low rolling resistance and increases long-life with high wear performance.

Wet performance

Maintains optimized contact area between tread and road due to the more structured inner part of the pattern. This leads to very good braking performance on wet roads.

Performance evolution: MP 47 Hectorra 3 to Hectorra 5*

* based on internal tests. Tyre size 245/40 R18
